Respectfully submitted,

MARY H. PRATT, Town Clerk.

Received for record March 3, 1964.

THANK YOU

The Board of Selectmen and the people of the Town of Clarendon wish to express their appreciation and thanks to Virginia Kneeland Frantz for the fill, valued at \$114.30, used in work done on the Middle Road, State Aid Highway #1, and for the gift of \$500.00 given toward the cost of the above project.

TOWN OFFICERS' MEETINGS

The 1965 Town Officer's Educational Conferences are scheduled during March as follows:

9th Bellows Falls — 10th Woodstock — 11th Barre — 16th Swanton — 17th Bristol — 18th Manchester — 23rd St. Johnsbury — 24th Orleans — 25th Johnson.

SELECTMEN'S REPORT

At the first meeting of the Selectmen of the Town of Clarendon, held on March 5, 1964, Charles Ruane was appointed Chairman of the Board.

The following officers were appointed:

Fence Viewers—Richard Pratt, Russell Powers and Henry Potter.

Pound Keeper—Hiram Spafford and Isadore LaVictoire.

Weigher of Coal—John Pratt

Inspector of wood, shingles, etc.—Howard Pierce

Tree Warden—no one appointed—Mr. Ruane to try to find someone who would accept the office.

Health Officer, Carroll Rich, and Fire Warden, William Lind, appointed by the State, each for three years—Terms not completed.

On March 12, the resignation of Hiram Spafford as Pound Keeper was received and Bernard Burke appointed to take his place. No one was found who would act as Tree Warden. Any one willing to take this office for the coming year please contact the Selectmen.

The matter of buying a new truck was discussed at various times during the year. The old trucks were repaired and no new truck purchased. This has worked out very well with less expense to the Town.

The following amounts of money were borrowed during the year to pay current expense of Town General and School Accounts.

October 10, 1963	\$35,000.00
March 20, 1964	20,000.00
June 9, 1964	20,000.00
August 25, 1964	10,000.00
Total	\$85,000.00

This amount was paid in full on October 10, 1964.

Interest on the above amounted to \$1,229.76. This includes interest on money borrowed later as see below.

October 10, 1964	\$30,000.00
November 15, 1964	45,000.00

The \$45,000.00 was borrowed for one month only and paid in full on December 15, 1964, borrowing from the School Account so to do—\$45,000.00, giving a none interest bearing note for the same to the School Board, note payable on demand.

On December 29, 1964 a payment of \$12,000.00 on note was made by the General Account to the School Account—leaving due to School Account \$33,000.00 on Jan. 1, 1965.

Total Indebtedness of Town General Account on January 1, 1965:

Proctor Trust Co.	\$30,000.00
Town School Account	33,000.00

\$63,000.00 plus some

small outstanding bills and payments to Town Officers for services.

The reason for borrowing \$45,000.00:—

By State Law the Selectmen are required to pay the total 1964 School tax into a separate School Bank Account on or before November 20. Doing this made borrowing the above noted \$45,000.00 necessary.

Once paid into the School Account, this money may be borrowed back, the School Board being willing. This is the procedure followed by your Selectmen and School Board.

As usual the Selectmen and Road Commissioner met with John Durkee, District Highway Commissioner to decide what work should be done on Town Roads. Various roads were repaired, improved and retreated. No new Black-top.

Buying Rutland Railroad property for a Town Garage was considered. Mr. Ruane talked with Railroad Officials and found the price for such land to be \$500.00. The Selectmen felt this was too high and no further action was taken.

Recently it has been suggested that the Town rent a small part of the new Fire Station for use by the Road Commissioner when repairing machinery, the matter to be discussed with the Board of Directors of the Volunteer Fire Association.

At the General Election held on November 3, 1964 the following were elected:

Town Representative	George Ridlon
Justices	Leland Congdon
	Irene Hill
	Leon Moulton
	George Ridlon
	Joseph Raiche

David Miller was appointed by the Selectmen, and recommended to the State Board of Health, to fill the office of Health Officer left vacant by the death of Carroll Rich, former Health Officer.

Robert Kiley, Chairman of the Board of Civil Defense, resigned and Bernard Gregory was appointed to take his place.

The cost of Town Roads this year was as follows:

Winter Maintenance	\$6,720.81
Town Roads (25%)	1,545.17
State Aid Roads	22,832.19
Gas & Oil	2,369.98
Parts and Repairs	5,917.77
TOTAL	\$39,385.92

State Aid to Roads:

Winter Maintenance	\$2,829.25
Summer Roads	22,705.52
Use of Equipment	740.79
TOTAL	\$26,275.56

Cost of roads over income other than Tax Money \$13,110.36.

Respectfully submitted,

CHARLES RUANE,
PERCY E. TEER,
EARL F. TURNER,
Selectmen.

Dated at Clarendon, Vt.
January 7, 1965.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Directors and Citizens of Clarendon:

This is my twelfth report as your Superintendent of Schools.

The schools of Clarendon began the new school year on Wednesday, September 9, 1964, with an opening enrollment of 158 pupils. This was a decrease of three pupils from the same time one year ago. There was one change in the faculty of your schools. Miss Almira Ludden left to teach in another school district and Mrs. June Sherrer moved from the Flats to the North to fill that position. Mrs. Mary Davis of Brandon was hired to the upper grade position at the Flats School.

In considering a future policy for the Clarendon Schools, your School Directors and I are agreed that the ultimate goal is to enlarge the North School as the central elementary building for the School District. This building was designed so that future expansion could be added. This would provide for grades one to six for the whole school district.

The second part of planning for the future concerns grades seven and eight and our high school students. We believe that the best provision for these students is for Clarendon to join a union high school district. This would enable the children in these grades to receive the kind of education that they need. The advantages of joining a union high school district consist among others of providing a high school to attend, transportation by the district, and a voice in the operation of the high school.

These matters need to be discussed and considered by all the citizens so that wise decisions can be made when necessary. School district reorganization is another subject that will be in the legislature this year.

The School District ended its fiscal year on June 30, 1964, with a small balance. This is most pleasing since this has not been the situation for some years.

For the next school year, 1965-1966, your School Directors and Superintendent are recommending a tax rate of \$7.15, an increase of eight cents over the present school year's tax. We will lose \$2,150 in State Aid next year and there will be some increases in tuition and teachers' salaries. By reducing other items, we expect that this tax will suffice. The 1965-1966 tax would then be divided as follows:

Operating Costs	\$6.83
Bond Issue	.32
	<hr/>
	\$7.15

For the school year ending last June, high school tuition cost the District \$25,111.60. This amount was paid for forty-four students at Rutland High School, eleven at West Rutland, and six at Wallingford High School. We estimate tuition will cost over \$28,000 for the present school year.

The State Department of Education recently issued a comparison of elementary costs in districts operating elementary schools. The Clarendon School District elementary costs fall below the median in all respects. For example, in total current expense per pupil, Clarendon shows a figure of \$296 per pupil while the median for all districts is \$318.

Your School Directors and Superintendent have held monthly meetings throughout the year. I appreciate the cooperation that I have received from them at all times.

Respectfully submitted,
EDSON E. PHELPS,
Superintendent

**VERMONT STATE DEPARTMENT OF HEALTH
ANNUAL TOWN REPORT, 1964**

During the year we sent letters to many of the people of the town of Clarendon concerning the immunization status of their children. I would like to thank them for their very fine response to this inquiry. You will be interested in learning that in Vermont 4 out of every 5 babies have been started on their shots for diphtheria, whooping cough, tetanus and polio by 6 months of age.

This is a testament to the genuine concern which Vermonters have for the health of their children, their neighbors and their communities; something in which every Vermonter can take pride.

The following is a tabulation of some of the more important health services provided people of your town in the fiscal year 1964.

Attendance at well child clinics	69
Nutrition, dietary consultations to institutions, groups, individuals	—
Pediatric consultations for child health problems	—
Number of children given diagnostic service at hospitals	—
Number of children aided at handicapped children's clinics for speech and hearing, orthopedic, plastic, neurological, cardiac problems	6
Number of children financially aided with hospitalization	2
Number of children served by mental retardation clinics	—
People H-rayed for tuberculosis detection	12
Diphtheria, Tetanus, Whooping-cough immunizations	17
Polio immunizations (Salk injection or Sabin oral) at clinics	644
Number of water samples tested (private and public supplies)	22
Food and dairy products tested	—
Blood specimens (pre-marital, pre-natal and other)	36
Other laboratory specimens	3
Sanitary inspections, consultations (food and lodging, camps)	35

Water, sewage, disposal, public building and other inspections	11
People X-rayed for occupational diseases	25
Hospital and nursing home inspections and consultations	—
Dental health education, number of children served in schools	—
Number served by tumor clinics	2
Public Health Nurse home visits	58
Number served by Public Health Nurse visits	39

VERMONT DEPARTMENT OF SOCIAL WELFARE

Montpelier, Vermont

This twenty-eighth in the series of annual reports submitted to the people of Clarendon presents tabulations for the calendar year 1964. In the Department of Social Welfare's program of assistance to the aged, blind or disabled 30% of the costs of hospital and physician services, as well as the excess over \$80.00 per month in Nursing Home care, are assessed against the town of settlement of the recipients of such care. Participation charges incurred by your community during the past year for each of these types of care were as follows:

Nursing Home Care	\$104.40
Hospitalization Services	\$ 56.39
Physician Services	\$ 72.00

Under similar settlement provisions town participation in the program of Aid to Families with Dependent Children is at the rate of one-eighth the assistance grants while costs incurred for the care of Committed Children are borne equally by the local and state agencies. Charges assessed against your community for the former amounted to \$201.18 and for the latter \$0.00 for the year just closed.

During 1964 assistance was granted to 10 residents in your community under the Aid to the Aged, Blind or Disabled program. Direct money payments to these persons were financed entirely out of state-federal funds. Among the other programs financed from these same sources were Services for the Blind, Adoption Services and Medical Aid for the Aged. While no town-by-town records are compiled for these categories, their benefits were available to all qualified residents.

Respectfully submitted,

JOHN J. WACKERMAN,
Commissioner of Social Welfare

CLARENDON FIRE ASSOCIATION, INC

Progress Report

This town is very fortunate to have the interested group of men we now have as the Clarendon Volunteer Fire Department. This Department has given an average of at least 125 hours of time per man to the Town of Clarendon this past year.

Eighteen men have completed a basic course of 45 hours. There were 13 three-hour night classes and one six-hour Sunday drill. Six men also completed the advanced 18-hour course which was comprised of officer training, master hose layouts, and pumper operations.

By completing this training, it has made your Department one of the highest ranking in the county as far as schooling is concerned.

This past year, Your Department has acquired by purchase, donation, and use of the following equipment:

A 1947 Chevrolet truck with a 1,000 gallon water tank, 1,000 gallon collapsable canvas portable tank, a Hale portable pump and the use of a Gorman Rupp portable pump, a 20 % chemical all-purpose extinguisher, seven helmets, 100 foot of garden hose as booster line for small fires and cleanup purposes, an extension ladder and two roof ladders, 200 foot of 2 1/2" hose, and several smaller articles such as handlights, etc.

The fire house is being constructed in back of the Grange Hall entirely with volunteer labor.

We feel that the spirit of community togetherness, thus aroused, has been an outstanding achievement over and above the main objective of additional fire protection for our town.

The Auxiliary has had several suppers and two Bingo parties besides working with the Fire Association on several money-making projects. They have donated over \$750 to the Fire Association to help buy necessary equipment and help with the building fund.

Please remember, all donations to this nonprofit association are Income Tax deductible and entitle you to voting rights in the Association. Please remember, also, that we have kept our promise not to ask for one cent of tax money at the regular Town Meeting.

The Department call numbers are 773-6483, 773-3714 and 773-7671.
